Shri Bartya Basu
The Honorable Minister of School and Higher Education
Govt. of West Bengal

Sub: - Urgent Request for Rescheduling School Timings due to Heat Wave Conditions in North Bengal

Dear Sir,

Greetings of day,

This is to bring to your kind attention and consideration that the severe heat wave conditions in West Bengal and its impact rendered an unfavorable situation for children at school.

The India Meteorological Department has issued a heat wave alert for several parts of West Bengal, and the scorching heat is making it difficult for Children to attend school during the regular hours.

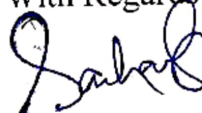

In the light of this, I respectfully request you to consider for rescheduling the school timings at the morning session before Puja Vacation from 8 am to 11 am for the North Bengal Region in consultation with different stakeholders of school education.

I believe it's essential to prioritize the health and comfort of our students during this challenging time.

I would be grateful if you could take necessary steps to address this concern.

Sincerely,

With Regards

 **DR. SANKAR GHOSH**
Chief Opposition Whip
West Bengal Legislative Assembly

Dr Sankar Ghosh
